Blockout (Custom Vinyl Banner)

Blockout

By means of matured technology in producing process, Der has developed a series of Blockout which is used as custom vinyl banner, using printing material (DS2525, DJ5050) to satisfy the market needs.

Application of Blockout: used as custom vinyl banner, using banner printing on the surface, widely used in outdoor advertising, light box, large format printing, etc.

Blockout can be used as advertising vinyl banner, it is suitable for most kinds of solvent printers.
