Textile Paper (Sign Banner)

Textile Paper

Der's Textile Paper belongs to sign banner, used as advertising vinyl banner, vinyl banner printing of textile paper has following features:

- 1) Good flexibility, excellent tensile strength and shrink strength, without frilling.
- 2) Good ink absorption, vivid color contrast.
- 3) Waterproof, UV resistant ability, good adaptability to changeable weather, it can be used outdoors, long life of color appearance.
- 4) Advantage; When the printing is finished, it can be used without covering protection film, so the cost can be saved greatly.

Application of Textile Paper: it is widely used as sign banner, advertising vinyl banner, exhibition, display equipments, light box media.

Textile Paper is suitable for Thermal foaming printer, piezoelectric printer and solvent printer, use vinyl banner printing on the surface, used in sign banner, advertising vinyl banner.

Main Parameters:

Type	Base Fabric	Thickness (mm)	Weight (g/sq.m)	Width(m)	Length(m/roll)
DX018/Pigment/Dye/Solvent/Eco	150D*150D		110g/sq.m	23"36"50"60"	18/30M
DX015/Pigment/Dye/Solvent/Eco			120g/sq.m	23"36"50"60"	18/30M
DX004/Pigment/Dye/Solvent/Eco	150D*150D		120g/sq.m	23"36"50"60"	18/30M
DX4410G/Solvent ink base	150DX150D	0.16	130	0.61/0.76/0.914/1.27/ 1.52/1.82	50/100
DX4300/Mirror Banner	75DX75D	0.14	90	1.27/1.52	50
DX006/Solvent/pigment/dye	600DX600D	0.30	210	1.52	18
DX005/pigment/dye/solvent/Eco	300DX300D	0.28	160	1.52	30
DX001/Pigment/Dye/Solvent/Eco	150D*150D		100g/sq.m	23"36"50"60"	18/30M
